

CALERA

2020 MT. HARLAN PINOT NOIR RYAN VINEYARD

Calera's Mt. Harlan Vineyards are located in the Gabilan Mountains 25 miles east of the Monterey Bay. The site was chosen for its limestone soils and ideal climate. At an average elevation of 2,200 feet it is among the highest and coolest vineyard sites in California.

VINTAGE NOTES

After a cool winter, the 2020 growing season began with spring rains that replenished our soils on Mt. Harlan and set the stage for an excellent vintage. After a late-March budbreak, we enjoyed temperate, sunny days and cool nights throughout spring and summer, allowing the grapes to slowly ripen, while preserving the bright natural acids that we prize. With no significant heat events, the 2020 vintage produced age-worthy wines with enticing aromatics, lovely freshness and purity, and beautifully delineated varietal flavors.

WINEMAKING NOTES

At more than 20 years of age, the beautifully mature vines of Ryan Vineyard have produced a stunning wine with enticing aromas of Rainier cherry, lavender, yellow plum and raspberry. On the plush palate, supple tannins and luxurious flavors of blackberry and cherry cola emerge, with hints of black pepper lingering throughout a long, complex finish.

WINEMAKING

APPELLATION Mt. Harlan

VINEYARD Ryan Vineyard

VARIETAL COMPOSITION 100% Pinot Noir

OAK PROFILE & AGING Aged 18 months in French oak
30% new, 70% neutral

ALCOHOL 14.5%

PH 3.68

ACIDITY 0.59 g/100 ml
